Three measured driving stages

1. Without speed assistance

Original learned pedals; rule-based steering and pedal cleanup remain.

Monza: 91.8 s

INVALID - 13 departures

Silverstone: not tested

Open original GIF (1x replay)

2. With assistance

Original learned pedals plus a rule-based speed planner and steering.

Monza: 205.4 s

VALID - 0 departures

Silverstone: 256.5 s

VALID - 0 departures

Open original GIF (1x replay)

3. AI-learned steering + pedals

Expert imitation. No runtime speed planner, steering formula, launch rule or teacher fallback.

Monza: 209.1 s

VALID - 0 departures

Silverstone: 266.3 s

VALID - 0 departures

Open original GIF (1x replay)

PDF previews are static. Original animated GIFs are attached and included in the companion HTML package.

Open DRIVING_STAGES.html from the ZIP to play all three animations.
